

The KARE Partners Program

KARE Crisis Nursery is a non-profit, community-based organization with monthly financial obligations. While we actively pursue funding via grants and gifts, we depend largely on support from the community. The KARE Partners Program allows you, your business, organization or group to pledge a set amount each month. Your donations, in concert with others, will help KARE to provide a nurturing, safe environment to children from our community whose families are in crisis.

Please join us as a KARE Partner
